

Valentino's Eatery will "Light It Up Blue" for our 3rd Annual Fundraiser Event on SATURDAY, APRIL 14th to celebrate Autism Awareness month. We hope you will come support Valentino's Eatery as we celebrate and promote this day by showing off our BLUE to support Autism Awareness not only for our son, Christian, who is on the spectrum, but also for the many other children, adults & families in this world who are affected by ASD (Autism Spectrum Disorder).

We invite you to join us on this day, during our dinner hours..Dine-in or Carry-Out..., to help support Autism Awareness. DINNER SERVICE WILL BEGIN AT 4PM - 9PM. We will be offering a variety of food & drink specials this day, including our featured wine...ONEHOPE Cabernet Sauvignon (California), as HALF of the profits from ONEHOPE Cabernet sales are donated to non-profits that provide behavior therapy to children with Autism.

At the end of the day on April 14th, Valentino's Eatery will donate a portion of our profits, along with customer donations & monies raised from the raffles that day to two local organizations here in AZ who provide services to children & adults with autism along with support for their families on a day to day basis. This year we will again be donating to Hope Academy for Autism <https://www.facebook.com/hopeacademy4autism/> and to Pawsitive Friendships www.pawsitivefriendships.org. Our goal this year is to surpass \$2,000 to donate to these two local organizations. Last year we raised close to \$1,600 that was given to both organizations.

We hope you can come show your support on Saturday, April 14th as we welcome you to come "LIGHT IT UP BLUE" with all of us at Valentino's. We will gladly welcome any additional donations from our customers that day and there will be raffles to also help raise monies to donate along with our contribution to these great local organizations who are there to help children & adults on the spectrum. We hope to exceed our goal of \$2,000; so we hope you will come and help support!!
